Curriculum

Trinity Christian School's curriculum is a rigorous college preparatory program. All students are required to enroll in a comprehensive core of classes. Trinity follows the classical pedagogy where students move through the natural stages of learning, with mastery in the intellectual skills of memorization, logical argument and presentation. Studies include classic works of Western civilization and Socratic dialogue. The culmination of a Trinity education is a two-week Grand Tour of Europe and a senior thesis presentation.

Debate is a graduation requirement with almost 50% of the speech and debate team going onto the State finals. Trinity has also sent both speech and debate teams to the National finals.

Community Service

Graduates of Trinity Christian School must have completed a minimum of 100 hours of community service. Hours are evenly distributed among the community, school, and a local church.
