

2019 SUMMER READING

2nd – 12th Grades

Each student entering 2nd through 12th grade is expected to read the assigned book for his/her upcoming grade for 2019-2020. Books may be purchased either through [Amazon](https://www.amazon.com) or another vendor of their choice. An audio version is helpful but should not be in place of an actual book. It is recommended that in Upper Elementary and up, the students annotate the book themselves to refer to when they return to school in August.

A Summer Reading List is included for you to use as a guide for any additional books you might be interested in borrowing or purchasing. A parent must acknowledge that the book assigned has been read by signing the form on the back of this page.

*In the younger grades, if the book selected is too challenging, please read the book with the child.
