

2023-2024 TUITION SCHEDULE

The tuition schedule represents our commitment to providing excellent education to students. Please note the school's philosophy of pricing, which states that all common fees, expenses, and field trips will be included in the annual tuition amount. Annual tuition, additional programs, and 'grade-specific' fees are below.

Lunch will be available through Kyle Nakayama and can be purchased on a monthly basis through the vendor. Prices will be provided at the beginning of the school year.

Book Packs

Book pack fees are charged separately because they represent a product for students to own. While some schools will have students pay for all their books, we limit our book packs to just those works of literature we want students to mark up and then keep for their own personal libraries.
