

SUMMER READING

2nd – 12th Grades

Each student entering 2nd through 12th grade has an assigned book for his/her upcoming grade. It is recommended that in Upper Elementary and up, the students annotate their book themselves to refer to when they return to school in August. There will be an assignment for their summer read at the beginning of school.

A parent signature is required at the beginning of the school year, acknowledging that the child has read the summer book.

*In the younger grades, if the book selected is too challenging, please read the book with the child.
