

TCS Update from Head of School, David Rowe
March 16, 2020

Dear Trinity `Ohana,

This afternoon the White House has recommended no gatherings of more than 10 people. With this recommendation, we will move campus closures up one day to tomorrow, Tuesday, March 17th. Our teachers and principals are currently hard at work preparing to introduce Home Learning for our students. Assignments will be sent home for the remainder of this week with our Home Learning program beginning Wednesday. We will spend tomorrow preparing for the ramp up to our online component. More details will be forthcoming.

Please look for regular updates from myself, the principals and classroom teachers. Make sure to keep your email address up-to-date in Family Portal (Parents Web).

Thank you for your patience and understanding during this rapidly evolving medical event. Thank you also for your continued support and prayers for our school community.

Grace and peace,

David Rowe
Head of School
