

April 10, 2020

Aloha TCS 'Ohana,

I am trusting that you have found a new rhythm within your household as we have at the schoolhouse. I truly miss seeing your children's faces, milling around near the lockers on Makai, playing joyfully at recess or reading in the Lion's Den on Mauka. We look forward to when we all can come together once again!

Today, we recognize Good Friday and we hope you will be able to take time with your family to remember Jesus on the cross, giving the ultimate sacrifice for us.

I would like to express my gratitude to our parents, who play an essential role in the learning process. Your partnership and understanding will make all the difference as we navigate and adapt to Home Learning together in the weeks ahead. We welcome your feedback as we seek to use a variety of media to engage your child academically, socially, and emotionally.

Your leadership- Church, Board, Administration, Teachers, and Staff- have been working diligently to re-imagine what school will look like when we return to campus. It has been a God-given opportunity to pause and look at what we do well and areas that we can improve upon in the future.

Attached you will find Ten Guidelines that we recommend as support for our Home Learning program. These are truly suggestions, recognizing that each family has circumstances that differ from one another. As a father myself, I'm dealing with these same challenges and experiencing the same blessings.

May our Lord keep you in peace during these challenging times. Please know that we are here with you as we face the unknowns before us. We do know this, our Lord is with us, He is Sovereign and He is worthy of our trust.

In Him Alone,

David Rowe

Head of School
